

# 3 Hours of Heemstede Event Rules 2022

## The race weekend

On Thursday the track will be closed.

Friday; free practice in groups

Saturday; free practice in groups followed by qualifying

Sunday; IC10 race, IC8 race and the prizegiving ceremony.

## The teams

A maximum of 12 teams in IC10 and 12 teams in IC08 can compete.

The teams consist of a maximum of 5 persons:

- 3 Drivers
- Maximum of 2 additional helpers
- One of the team members will be team captain, to be designated by the team.

## Qualification format

Qualification is run in a Super Pole format. One driver per team will participate and represent their team, the driver will be chosen by the team. We will not run a full qualification but only the Super Pole format, with the following rules.

- Starting order in qualification will be determined by the organization
- Qualification must be run on hand out tires. This single set of tires can be picked up before the qualifying run. They can be handed back in after qualifying for use during the race.
- This is run individually, only one driver will be on the track at any given moment during qualification
- Drivers have three minutes on track to warm up
- Qualifying itself consists of 4 consecutive laps, these laps start the first time the driver crosses start/finish after the 3 minute warm-up period is over.
- The driver can only enter the pits during warm-up, this will not stop the clock.
- Qualification order will be based on the single fastest lap out of the 4 laps.
- There will be no marshaling during qualification.

In case qualification cannot be run, the starting position for the team will be determined by the organization.
